Secretary's Report: motion to accept the June minutes made by Reggie, seconded by Jeff.

Treasurer's Report: owe a check to Chuck for his scratched dog for \$60.00. There has been no activity in the checking account. There is one outstanding check for \$130 to Reggie for birds that were ordered for July training date. One deposit of \$25.00 for new member from July. Two checks for insurance one for membership. Current balance \$5175.00 about \$250 less than last year. We have an outstanding commitment to buy Randy Martin a \$150 gift card at BVI. Last year's operating expense was \$1570 and this year's is \$1520. We need to look at our expenses for the upcoming year to be sure that we will have enough money come spring to fund the 2015 hunt test. Motion to accept treasurers report made by Jon and seconded by Michele.

HELDCA Report: no report. The next meeting is September 18th, Jon will be away on vacation, Reggie will cover for Jon. We need to cut a check for \$50 for the July training date.

Old Business: 2014 Hunt Test. Feedback, help was lacking for both Started and Seasoned. Equipment management went well this year. Judges dinner was a great success. Greek diner catered with assorted dishes, salads, beer in the hotel conference room. Hawthorne Suites 97 per night which is in line with the prior year. The major consensus of the judges were good across the board.

New Business: discussed awards for excellence in achievements and will investigate options

Up Coming Events: Pheasant Shoot, November 8th. Jon will check to verify the date with HELDCA. If it rains on Sat can we have a rain date on Sunday? \$60 was the charge last year, it included 4 birds and lunch. The early entries get the pick of fields. Reggie will send Michele the flyer and we'll send it out early in November.

Meeting adjourns at 8:20
